

Year R

WEEKLY LEARNING

Personal, Social and Emotional Development

We will think about what being ready to learn looks like and feels like

When we are calm, relaxed and able to listen and concentrate we are 'good' to go.

What makes you feel 'good' to go?
What helps you to focus?

Information about some of the things we will be learning in the week beginning 25th April

BOOK CHANGE DAYS
MONDAYS & THURSDAYS

R.E

Our new R.E topic is *Good News* and we will find out that we all have different 'good news' to share with each other when we talk about the Holidays

Maths

This week in maths we will be learning to build and recognise amounts beyond 10 using numicon shapes or groups of 10's and 1's

Literacy

Speed Sounds Set 2

We are revising Set 2 sounds and will be learning the sounds below this week

We will practise sentence work by:

- Thinking of our sentence
- Saying our sentence
- Writing our sentence
- Checking our sentences makes sense

I like ice cream.

We will try and use a capital letter, finger space and a full stop.

We will begin our new book topic - ask your child at the end of the week what the book is about as we reveal more of it as the week progresses.

Topic

(Expressive Arts and Design and Understanding the World)

We will continue to observe the seasonal changes of spring and get creative making finger painting blossom pictures.

In role play we will pretend to be doctors and patients and use associated vocabulary and phrases e.g 'I need an appointment please'

Outside we will explore the garden to find and look closely at different types of minibeasts.

P.E

This week we will be practising using words like *slither*, *wiggle* and *wriggle* to describe some movements and try demonstrating these movements.

We will practise our ball skills by playing catch with a partner.
