

Year R

WEEKLY LEARNING

Personal, Social and Emotional Development

We will learn how to take care of the environment when we are looking for worms this week and also learn how to look after other small insects that we may find.

Maths

In maths this week we will be ordering numbers from 11-20 and finding missing numbers in the sequence when they are hidden

Communication, Language and Literacy

We are revising Set 2 sounds.

Speed Sounds Set 2

We will practise sentence work by:

- Thinking of our sentence
- Saying our sentence
- Writing our sentence
- Checking our sentences makes sense

We will try and use a capital letter, finger space and a full stop.

We started our new topic text 'Yucky Worms' last week and have been finding out lots of interesting facts. This week we will be labelling pictures, writing messages and letters to wiggly woo and writing instructions as well as learning lots of worm related vocabulary such as 'wormery' and 'wormologist'!

Information about some of the things we will be learning in the week beginning 3rd May

BOOK CHANGE DAYS
MONDAYS & THUSDAYS

R.E

We will continue to learn about good news by thinking by finding out about Pentecost - The coming of the Holy Spirit.

We will explore how Jesus friends felt when he left them compared to how they felt when they received the Holy Spirit

We use symbols of doves and flames to help us remember the Holy Spirit.

Topic

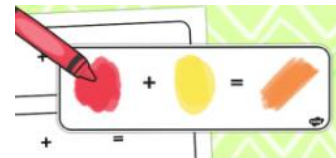

(Expressive Arts and Design and Understanding the World)

We will be going on worm hunts in the garden and finding out how to make a wormery to safely keep a worm and observe how it tunnels through the ground.

We are going to explore the effect of what happens when you mix different colours and find ways of making a new colour using primary colours.

P.E

This week we are going to practice our balancing skills by walking along skipping ropes, chalk lines and balance beams.
